Health Insurance Plans to Change in 2011

Effective January 1, 2011, all health insurance plans through the State of Missouri will include deductibles and out-of-pocket maximums. The deductibles require members to pay a certain amount before the plan begins to pay, with an out-of-pocket maximum. The HMO and Copay Plans will not be available in 2011.

Annual out-of-pocket maximums will be \$1,200 (individual) or \$2,400 (family) for the PPO 600 plan; \$1,500 and \$3,000, individual

and family, respectively, for the PPO 300 plan; and \$2,400 and \$4,800, individual and family, respectively, for the High Deductible Health Plan.

Premiums for members with children will be based on the number of children covered. Subscriber/Child and Subscriber/Family coverage levels will include one child, and premiums will increase

\$20 for each additional child up to five. There will be no increase for children after the fifth child. See below for rates.

Members may add children up to age 26 to coverage in 2011.

The open enrollment period is from Oct. 1-31. An informational meeting will be held in the MSB Auditorium Thurs., Oct. 14, at 8 a.m. For more info

visit www.mchcp.org.

New Employee

Heath Buschmeyer joined MSB on Sept. 20 as Maintenance Worker II. He was previously employed at the Bellefontaine Habilitation Center and as an equipment operator and mechanic. He holds an associates degree from East Central College, Union, MO, and is a certified auto-diesel mechanic.

Free Children's Braille Books

Braille Institute has a collection of classic and contemporary literature and nonfiction material encompassing more than 1,100 titles and appealing to all reading levels. Families may order up to 12 braille books a year, free of charge, from the seasonal catalogs.

Any visually impaired child living in the United States or Canada between the ages of 3 and 18 is eligible for the program.

The Special Collection was designed to increase braille literacy by offering blind and visually impaired children the opportunity to create a special library of their own.

To find out more about this program, go to http://brailleinstitute.org/childrens_books or call Braille Institute at 1(800) 272-4553.
